

# What is a vignette?

A vignette is a form of **personal narrative**, or story composed from a personal experience, thought, idea, memory, hope, dream...

It's a short, impressionistic scene that focuses on one moment or gives a particular insight into a character, idea, or setting.

To write a vignette, take an event, thought or idea from your life that you remember so vividly you will never forget it. Tell the story to the reader so well that they felt like they were there.

## For a FANTASTIC vignette, you need:

- **About one to two full page, typed, double spaced, 12 pt. Font & 1" margins**
- **To focus on one specific moment, character, idea or setting.**
- **Write in first person point of view.**
- **A creative title**
- **A fascinating beginning that hooks the reader.**  
*(Starts with an interjection, asks a question, begins in the middle of the action or starts with an interesting quote or statement.)*
- **Extremely detailed IDEAS** with specific examples that help me to see, hear, smell, touch and taste your ideas.
- **Your unique Voice**, your personality, your literary fingerprint.
- **Vivid Figurative Language**  
*(Extended, non-cliché, EPIC **similes** and **metaphors**, strong **imagery**, creative **personification** and interesting **allusions**.)*
- **Exceptional word choice.**  
*(Vivid verbs, specific common or proper nouns, awesome adjective, amazing adverbs and lively interjections.)*
- **A unique and memorable closing.**
